

A large, two-story white house with a brick base and a swimming pool in the backyard. The house has multiple windows, including a large arched window on the second floor. The pool is surrounded by a dark deck and has a curved edge. A stone path leads from the foreground to the pool. The lawn is covered in synthetic grass, and there are trees in the background.

PRO GREEN
SYNTHETIC TURF SYSTEMS

US Supreme

An excellent turf option for property owners looking for a durable and extremely realistic product. At 2.25" tall, this is our tallest turf option. The high brown thatch makes this turf look like natural grass, while the S-shaped fibers provide amazing resiliency.
